Additional Information:

Issue 01 of this Certificate replaced Certificate Number DQAS-03/09-McM002R1 issued by QinetiQ under notified Body number 0191.

This annex is valid only in conjunction with the certificate number stated and forms part of that certificate. It is valid from the date entered above until the date of expiry or cancellation of the registration certificate, unless superseded by a later issue of this annex

**Marine Equipment Directive Module D Quality System Certificate
Number BAPT- MED005707-H1 Issue 05**

Conditions of Validity:

This issue of the Annex to the referenced Marine Equipment Module D Certificate relates to Issue 05 of the Certificate.

The References to Module B Certificates relate to the issue of the Module B Certificate valid at the time of issue of this certificate and any later issue of these certificates within the validity dates of this Module D Certificate.

This Certificate is also valid for any later issues of the listed Module B Certificates unless specifically stated otherwise.

This certificate authorises the manufacturer or his authorised representative established within the Community in conjunction with an EC TYPE EXAMINATION (MODULE B) CERTIFICATE appropriate to one of the item designation types listed above to affix the "Mark of Conformity" (wheelmark).

This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with TÜV SÜD BAPT

The manufacturer must immediately cease affixing the "Mark of Conformity" on any product subject to suspension, termination, expiry, withdrawal or revocation of the supporting EC Type Examination (Module B) Certificate.
