Date of Issue: 2015-11-17

## Schedule of Approval

### Approval Documentation

Test report : 2014-024, NSR-NVR9000-TEST150810P.  
NSR-NTW1000-TEST150810P

### Technical Data

The NTW-1000 is designed to meet the GMDSS requirements related to the performance standards for the survival craft two-way VHF radio telephone apparatus and may be also used for communication with optional rechargeable batteries.

#### Mandatory equipment:

Portable two-way radio telephone: Type: NTW-1000

Software version: V1.xx

Emergency battery: Type: NBT200

#### Optional equipment:

Rechargeable battery: Type: NBT200C

Charger with AC/DC adaptor: Type: NBT200CU

#### Documentation:

User manual NTW-1000 OM.E 20151018-0x,

Service manual NTW-1000 SM.E 20151018-0x

### Remarks

none

### Limitations on the acceptance or use of the product

none

#### Notes:

This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform DNV GL SE, as the Notified Body, of any modifications or changes to the approved equipment. Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body.
